

WEST FELICIANA SAINTS

ROYAL BLUE CLUB

To All West Feliciana Supporters:

This will be our 2nd year of the Royal Blue Club. We organized this club to increase and continue the tradition of community support.

The Royal Blue Club will provide financial assistance to all the athletic teams. Our membership goal for this year is 100 members.

We are excited about the future of our athletic programs. There is no better way to unite our community as one, than through a high school athletic event. Football, basketball, softball, soccer, volleyball, baseball or track, the sport really doesn't matter it's the fact that it's our children working together as one for our community. We should as a community support the pride, spirit and traditions that our kids represent every week during the school year.

The Royal Blue Club's financial support will allow our student athletes to have the very best facilities and equipment to help them be successful. We have several projects planned and your donation will be a great help in getting them done.

The bonuses received as a Royal Blue Club member will greatly exceed the membership fee of \$125.00. Each membership will get 1 Royal Blue Club polo-style shirt. Additional shirts can be purchased as well as caps. Each membership will also receive free admission for two(2) people to all home athletic events excluding jamborees and play off games. This alone is valued at several hundred dollars. Members will have the convenience of Royal Blue Club parking behind the stadium of all WFHS home football games. We would like encourage all of our members to participate in the tailgating party put on by the Linebackers organization before every home game.

The future success of our community school athletic program depends largely on the support of the community. Please help us build the greatest program in the state by joining the [Saints Royal Blue Club](#).

Thanks for your support
