- 5. A student's self-esteem is enhanced by positive relationships and mutual respect among and between students and staff.**
- 6. A safe and physically comfortable environment promotes student learning.**
- 7. Students' learning needs should be the primary focus of all decisions impacting the work of the school.**
- 8. All students can learn.**

## **Our Mission**

**West Feliciana High School's commitment to continuous improvement shall be evidenced by providing all students with a safe environment and a variety of instructional approaches that will reinforce their physical, social, emotional, and intellectual opportunities.**

## **ATTENDANCE**

Regular attendance is not only a matter of state law, but is essential for success in your school work. While enrolled at West Feliciana High School, your number one job is attending classes regularly and fulfilling all class requirements. Regular and punctual attendance is a habit and should be cultivated early in your career. Excessive absences will negatively affect class performance and grades.

**State law requires that any student who misses more than seven days first semester or seven days second semester, without a doctor's excuse or permission from the Supervisor of Child Welfare and Attendance, shall not receive credit for that course, regardless of the grade earned. In addition, students with excessive absences must attend a hearing with the Supervisor of Child Welfare and Attendance as mandated by "No Child Left Behind".**

### **Perfect Attendance**

In order to achieve perfect attendance, a student cannot miss any part of any class period except for a school activity or field trip.

### **Temporarily Excused Absences**

Students shall be considered temporarily excused from school for personal illness, serious illness in the immediate family, death in the family (not to exceed one week), or for recognized religious holidays for the students' own faith. Any absence of five days or more must be verified by a physician. Notes requesting such absences must be written and signed by a parent or guardian in order for make-up work to be allowed. All other absences shall be considered unexcused. No make-up work will be allowed, and failing grades shall be given for any work missed due to unexcused absences. Forged notes from home will result in an unexcused absence

being recorded, as well as other disciplinary action.

The only exception to the attendance regulation shall be if extenuating circumstances are approved and verified by the Supervisor of Child Welfare and Attendance. Extenuating circumstances are as follows:

- extended illness, hospital stay, or recuperation from an accident verified by a physician
- educational travel which has been approved **in advance** by the school system
- natural catastrophe and/or disaster

### **Absences due to School Activities**

Absences due to participation in school activities shall be counted as excused, with make-up work allowed. A school activity shall not count against perfect attendance.

### **BMC**

Students in BMC shall be counted as present.

### **Returning To School After An Absence**

Students returning to school after a day's absence or the absence of a class period must bring a signed note from a parent or guardian stating the reason for the absence. The note must be turned in to the attendance office and an admit will be given. The admit will be signed by all teachers whose classes were missed. The note must contain the reason for the absence, date of absences, signature of parent or guardian, and a phone number where that parent or guardian can be reached. Unacceptable notes will result in an unexcused absence, and the student shall be given failing grades for all work missed. **Parents are asked to phone the attendance office whenever the student is absent. Notes from home do not excuse absences for state attendance records. They only allow students to make up work missed during an excused absence.**

**Doctors excuses must be submitted by the final day of the semester exams.**

### **Make-up Work**

**After an excused absence, it is the responsibility of the student to make arrangements with the teachers immediately upon return to make up work missed.** Students will be allowed to make up all work including tests and other graded material unless they received an unexcused absence. The make-up work does not have to be an exact duplication of the work missed. Teachers shall establish the time and place of the make-up work.

Students who are in school when a test or assignment is announced and who miss only the day of the activity and return the next day, will be expected to take the test or complete the activity upon the day of their return. Students who miss more than one day consecutively will be allowed a minimum of one day for each day missed before being required to make up a test, turn in material, or complete an activity. This will not exceed five days. If after notification, the student fails to accomplish make-up in the allotted time, a grade of "0" will be recorded. Students who have been suspended will not be allowed to make up work missed and shall be given a "0" for any assignments. The same rule applies for students who skip class or have an unexcused tardy, whether they are suspended or not. A student who misses one day, in which an unannounced quiz was given, shall take the quiz upon their return, unless the teachers deems otherwise.

### **Checking In**

**All late arrivals must check in at the attendance office immediately upon arrival on**

**campus. Any student arriving during first hour, but after 8:00A.M., must be accompanied by a parent, or the parent must have notified the attendance office before the student arrives on campus.** Students will not be allowed to check in after first hour unless accompanied by a parent, or by having a doctor's or dentist's excuse. Students enrolled in a first hour study hall must adhere to regular attendance requirements. A student on campus without officially checking in shall be found in violation of school policy and subject to suspension.

Once you arrive on campus, you are officially here and cannot leave the campus until the school day is over, or you officially check out.

## **Checking Out**

West Feliciana High School is a closed campus. Students may not leave the campus before the end of the day without doing so officially. Students may check out only in the custody of their legal guardian or after the office has obtained permission from their guardian. No other person can check a student out of school without the permission of the legal guardian.

Students may not run errands for teachers off campus without parent's permission.

Students checking out during the school day will remain in class until they are called by school personnel. Exceptions may be made in the case of illness or other emergencies.

Students who wish to check out because of a doctor's appointment, funeral, etc. must bring a written note from a parent or guardian indicating time, reason, and a phone number where they can be reached. **This note should be brought to the attendance office before the start of school.**

Reasons other than medical appointments, funerals, or sickness will be unexcused absences. Students checking out for any other reason may not return to campus for the remainder of the day. **Students will not be allowed to check out, and then check back in later in the day, other than for medical appointments, funerals, or with administrative permission.**

Students who feel the need to check out due to illness must report to the attendance office. The attendance clerk will try to contact the parent by phone. Phone check outs will be limited to emergencies only. Any student who checks out must depart immediately.

## **Senior Early Dismissal**

If you will be leaving school early your senior year, you must adhere to the following regulations:

- You must personally sign out each day in the attendance office.
- You must leave campus immediately upon completing your last class and signing out.
- You must not return to campus for any reason.
- When we are on a special schedule, it is your responsibility to make arrangements to attend all of your classes.
- All seniors must take at least six classes.

A senior may be allowed to remain on campus with special permission from an administrator.

## **Tardies**

Being tardy, or late for class, is considered a disturbance and will not be tolerated. If a student is more than five minutes late without proper cause, this will be considered cutting class. Students are to be in their assigned classes at the designated times. No student should be in a class not scheduled, nor out of a class scheduled in, **without a hall pass or permission from the office.**

# **ACADEMICS**

## **Alternative Placement**

A G.E.D. program is offered at the high school level. Applications for this program are available in the spring. For information, please contact the guidance office.

## **Options Program**

West Feliciana High School will offer an Options Program for students who do not plan to receive a regular high school diploma, but are interested in a skills certificate or GED. Information is available through the Guidance office. All school rules and policies must be adhered to by students participating in this program.

## **Accelerated Mathematics Program**

Students receiving a Carnegie Unit in Algebra I in the 8<sup>th</sup> grade, are expected to continue the accelerated mathematics program in grades 9 through 12. Those students will take geometry (A), Algebra II (A), pre-calculus, and Calculus AP.

## **Special Mathematics Requirements**

**Students who must repeat a semester of Algebra I will automatically be enrolled in Algebra I Recovery class. This course will be taken in place of an elective.**

## **Correspondence Courses**

Correspondence courses are designed for those students who need to remove academic deficiencies in order to meet high school graduation requirements. The following guidelines for correspondence course work are effective for students in grades 9-12:

- Students may enroll in a correspondence course only after the student and parent consult with a counselor and the principal, and the principal grants approval.
- Students may not enroll in a correspondence course prior to the 2<sup>nd</sup> semester of their junior year.
- Students may not enroll in a correspondence course in a subject **REQUIRED** for graduation unless that course has already been attempted at the school level. Ninth grade level required courses may not be taken through correspondence, even though the student has reached 2<sup>nd</sup> semester junior status.
- If a student is enrolled in a correspondence course that is a prerequisite to a course that will be taken during the regular school year, at least ½ credit must be earned in the correspondence course before the student is allowed to enroll in the next level course. The grade and credit earned must be received at the school no later than one week prior to the date of registration for the next school term.
- Seniors enrolled in correspondence courses must complete all course work no later than April 24. Grades and credits earned must be received at the school no later than the last day those senior grades are due to be turned in to the guidance office. Grades received after that date will not be considered, and students **WILL NOT** be eligible to participate in the graduation ceremony.
- Parents may appeal for a waiver to the above requirements based on extenuating circumstances to the School Building Level Committee. The SBLC will interview the parent and review the request within ten school days of the receipt of the appeal, and will make a recommendation to the principal. The principal will make the final decision.

## **ACT Assessment**

- Students **MAY NOT** register for the ACT until their JUNIOR year.
- Juniors who took Algebra II in the 10<sup>th</sup> grade may take the ACT beginning with the October test.
- Juniors currently enrolled in Algebra II may take the ACT beginning with the February test.
- Students who have not taken a college preparatory curriculum must meet with a counselor before registering for the ACT.
- Students are responsible for meeting the ACT requirements of the college/university in which they are interested. Non-credit developmental courses may be required if students do not meet ACT requirements in English, math, and reading.

## **NCAA Eligibility**

Students interested in participating in collegiate athletics must register with the NCAA Clearinghouse. There are minimum ACT, core curriculum, and GPA requirements that must be met. Students are responsible for making certain that all Clearinghouse information is submitted and that all other requirements are met.

## **Advanced Placement and Honors Classes Grading Policy/Pre-Requisite**

Extra quality points will be awarded for honors and advanced placement courses **pending the completion of the Advanced Placement examination**. The grading scale for those courses will be the same as for other courses. However, an extra quality point will **only** be awarded for a grade of “C” or higher.

## **Calculation of Grade Point Average**

Your grade point average (GPA) is very important for your future. It is used for determining class rank during your senior year and for other academic awards.

Please note that EVERY semester grade (1<sup>st</sup>, 2<sup>nd</sup>, Summer) is used in calculating cumulative GPA for grades 9-12. Cumulative GPA is determined in the following manner:

Total number of quality points earned in grades 9-12 divided by

Total number of grades earned each semester in grades 9-12

Semester GPA is determined in the following manner:

Total number of quality points earned during semester divided by

Total number of grades earned for the semester

## **Grading Policy**

Grading periods will be on a semester basis. Students will receive a report card at the end of each semester. Progress reports will go out at the end of the 1<sup>st</sup>, 2<sup>nd</sup>, 4<sup>th</sup>, and 5<sup>th</sup> six weeks.

The grading scale is as follows:

A - 94-100

B - 87-93

C - 76-86

D - 65-75

F - 64-below

These marks are derived from the cumulative grades earned by the student during the grading period. Only two grades will be given—one at the end of each semester. A numerical average will be assigned for each semester for the report card. The letter grade equivalent will be used on cumulative records for determining the grade point average. Semester grades of .5 and above will be rounded to the next whole number. For example, 64.8 rounds to a 65 but a 64.4 remain a 64. Grades 9-12 are on a semester system. A ½ Carnegie Unit is earned for

completion of each semester passed (minimum grade of “D”). In order to receive one credit for a course, both semesters must be passed. If a semester is not passed, it must be repeated. Semesters are not averaged together.

## Quality Point Calculation

Quality points are earned in the following manner:

Grade	Honor/AP classes	Regular classes
A	5	4
B	4	3
C	3	2
D	1	1
F	0	0

Students may repeat a course which they previously passed in order to improve their knowledge or skill in a particular class, with the approval of the administration. However, the grade(s) and credit received in the course the first time it was taken will be the official grade(s) and credit recorded on the transcript. Students will receive grades for the repeat course, but cannot count the repeat course for credit. All grades received in a course will be computed in the student’s overall grade point average.

## Class Rankings

West Feliciana High School students are ranked on a scale of 4.00 from highest to lowest. Only Seniors who are addressing the regular high school diploma are ranked in the group. In computing the grade point averages, all letter grades earned by a student from grades 9<sup>th</sup>-12<sup>th</sup> are figured in the total number of grade points earned. In instances where a student takes Algebra I, these grades are counted. The total number of quality points is then divided by the total number of letter grades earned. All averages are rounded to thousandths. For example,  $3.7991 = 3.799$  and  $3.8635 = 3.864$ .

The following grading scales are used:

- A - 4 quality points
- B - 3 quality points
- C - 2 quality points
- D - 1 quality points
- F - 0 quality points

An additional quality point is given for each letter grade beyond a “D” for grades which are earned in honors and advanced placement courses. For these courses the following values are given:

- A - 5 quality points
- B - 4 quality points
- C - 3 quality points
- D - 1 quality point
- F - 0 quality points

## Calculating GPA for Transfer Students

When calculating the grade point average for students who transfer into the system, extra quality points will be accepted only in those courses in which they are awarded at West Feliciana High School.

## Schedule Change

Any schedule changes made after the second full week of the semester (10th day), shall result in a grade of WP (withdraw/passed) or WF (withdraw/failed), which will be noted on the

cumulative record. A withdrawal shall result in the scheduling of a study hall in the place of the dropped class.

## **Early Graduation**

West Feliciana High School does not allow students to complete graduation requirements in fewer than four years, regardless of the number of Carnegie Units they have earned. Students may be eligible for Early College Admission or Concurrent Enrollment provided they meet the criteria outlined in the **WFPSB Pupil Progression Policy**. The School Building Level Committee will review any evidence of extenuating circumstances provided by a parent/guardian, and will make a recommendation to the principal.

## **Foreign Exchange Student Policy**

As a participant in the Foreign Exchange Student Program, West Feliciana High School has established the following guidelines for agencies and host families. Students will be accepted only under these conditions:

- No more than three exchange students per school year will be admitted.
- Students will be admitted for cultural exchange only. Credits will not be awarded toward a Louisiana High School Diploma. A student's home school will make the determination whether or not to accept the course work for credit toward a high school diploma or certificate in the student's home country. **EXCHANGE STUDENTS WILL NOT BE ALLOWED TO PARTICIPATE IN COMMENCEMENT/GRADUATION EXERCISES.**
- Students, regardless of grade placement in their home country, will not be placed in any grade higher than grade 11.
- Students who have graduated from high school in their home country will NOT be accepted as an exchange student.
- It is the responsibility of the agency placing students with a host family to contact the school prior to such placement. West Feliciana High School has the authority to accept or reject any applicant.
- Exchange students will be accepted only under the conditions noted above.

## **GRADUATION**

The administration reserves the right to deny participation in graduation to students who may be deemed disruptive to the ceremony. Anyone attending graduation must have a ticket.

## **INCLEMENT WEATHER**

The principal has the authority to change the time and date of graduation in the event of unforeseen weather conditions.

## **WHAT IS TOPS?**

**Louisiana's Tuition Opportunity Program for Students (TOPS) is a comprehensive program of state scholarships and one of the most innovative and progressive student assistance programs in the nation. TOPS has five award components. See a Counselor for eligibility and renewal requirements of each award. The Tech and Tech Early Start awards, which are presented in separate brochures may be obtained from the guidance office.**

## **HOW AND WHEN TO APPLY FOR TOPS?**

To apply for all TOPS awards you must submit the Free Application for Federal Student AID (FAFSA) for the academic year following the year you graduate from high school. For example, if you will graduate from high school this year, submit next year's version of the FAFSA. You must list the name of a Louisiana postsecondary school on the FAFSA for your application to be considered. An abbreviated FAFSA may be filed in its paper form by students who do not qualify for federal grant aid. The FAFSA may be filed after January 1, and should be received by May 1 for priority consideration and, to avoid penalties, must be received by the

final

state deadline of July 1.\* A FAFSA may be obtained from your high school counselor or college financial aid office or by calling the Office of Student Financial Assistance at (800)259-5626, Ext. 1012 or you may apply over the Internet at [www.fafsa.ed.gov](http://www.fafsa.ed.gov).

\*A qualified student who enlists in the Armed Forces within one year of graduation from high school must enroll in an eligible college within five years of the date of graduation or within one year of separation from active duty, whichever is earlier. The veteran must not have been discharged with an undesirable, bad conduct or dishonorable discharge. A student, who meets these requirements and did not previously apply, must file a FAFSA within one year of separation from active duty.

**Requirement for Opportunity Award - 2.50 GPA (computed on core courses only) and an ACT score of 20. (Performance award - 3.50 and 23 on ACT and Honors award – 3.50 and 27 on ACT)**

## **What is the TOPS Tech Award/Tech Early Start Award**

Unique among the TOPS scholarships, the TOPS Tech Award was created by the Louisiana Legislature with the sole intention of promoting a skilled workforce in Louisiana. The TOPS Tech Award is offered to qualified high school graduates and provides up to two years of skill or occupational training, to be pursued at an accredited Louisiana postsecondary institution that offers a vocational or technical education certificate, diploma or non-academic degree.

**Requirement for Tech Award - 2.50 GPA (computed on core courses only and 17 or better on ACT) See Counselor for a TOPS bulletin with detailed information on these two awards.**

## **Old Graduation Exit Exam**

In addition to completing 23 Carnegie Units of credit, students shall be required to pass the Graduation Exit Exam (GEE), beginning with the class of 1991. The Exit Exam will consist of five sections: Written Composition, English, Mathematics, Social Studies, and Science.

Students will take the first three parts during their sophomore year(10th grade), and the remaining two tests during their junior year. Students who fail any portion of the GEE will be provided opportunities for remediation. After the remediation has been completed, the students will be allowed to retake the test. **A senior who fails any portion of the GEE cannot participate in graduation exercises even though he/she may have completed all other graduation requirements.** However, if a senior who has failed a portion of the Exit Exam passes the retest within one year of their original graduation date, they may participate in Commencement the following year. It is the student's responsibility to notify the office of their decision concerning such participation, and to make certain that all supplies have been ordered. Students in this category would also be required to participate in graduation practice.

## **iLEAP, Graduation Exit Exam, 21**

Students entering the 9<sup>th</sup> grade during the 2005-2006 school years, will be required to meet the more rigorous academic and assessment standards established by the new state accountability law. Students will take the **Integrated-LEAP** in the 9<sup>th</sup> grade and the new **GEE 21** in grades 10 and 11. Student performance on these tests will be used, along with other data, to determine West Feliciana High's **School Performance Score**.

## **Senior Exams**

Seniors can be exempt from their mid-term and final exam if they have an "A" average **or if they meet the criteria as outlined in the Test Incentives Program.**

## **Honor Roll**

In order to make the honor roll:

- The student's semester grade point average must be 3.0 or above.
- The student must be enrolled in a minimum of five courses.
- At least three of the student's courses must be academic courses; that is, in the areas of English, math, science, social studies, or foreign language.

In order to be eligible for valedictorian or salutatorian status in the graduating class, a student must be enrolled at WFHS for the last three semesters prior to graduation. This requirement, however, does not affect a student's class ranking.

## **Pupil Progression Grades 9-12**

Grade assignments will be based on the number of Carnegie Units earned and years in high school. (must meet both requirements):

9<sup>th</sup> grade      0-4.5 Units

Beginning with graduating class of 2003, student must receive a score of “Approaching Basic” or above on English Language Arts, AND mathematics, and EITHER science OR social studies in order to be eligible for a high school diploma.

## STUDENT DRESS CODE

### General Appearance

The object of the dress code is to create a safe environment that will be conducive to learning and not disrupt or detract from the educational process.
